the more one's societal criativity
is reduced.**

SocietalSystem (StS)

StS-Oneliners

**In shocking times,
only shocking truths are real,
and only shocking projects and proposals
are realistic.**

SocietalSystem (StS)

StS-Oneliners

**The top shock of post-corona, is the top choice
the decision by mankind to
or try to ‘recover” the old system
or to follow the natural way towards a balanced,
lobal societal system, with endless local and personal appplication**

SocietalSystem (StS)

for every other human being
and for the whole biosphere.**

SocietalSystem (StS)

StS-Oneliners

**The central risk
for the survival of humanity,
is humanity.**

SocietalSystem (StS)

StS-Oneliners

**Without changing the societal system,
new governments, new parliaments,
neither new parties, won't repair
current politics and public policy.**

SocietalSystem (StS)

StS-Oneliners

**Most protests
reinforce the power
of the objects of protest.**

with real program defining afterwards,
is the negation of democracy.**

SocietalSystem (StS)

StS-Oneliners

**The New Green Deals ?
If money drives them,
they become Greenwash Deals.**

SocietalSystem (StS)

StS-Oneliners

Real democracy is based on
1. *offline modutable* documents and
2. ongoing *local, open, deliberative*
research and decision sessions.

SocietalSystem (StS)

StS-Oneliners

**If the efficiency of the top enterprises
would be applied by their consumers,
they would go out of businesses, in days.**

SocietalSystem (StS)

StS-Oneliners

**Average publicity spots have a mental-
age level of 5-10 year old children.
Political election adds are even lower.**

SocietalSystem (StS)

StS-Oneliners

Save the biosphere, and Humanity ?

- 1. REDUCE overall world
production-consumption with 50 %.**
- 2. Switch to panergetically renewable energy.**
Without the first, the second worsen the trend.
